Hi,

We are here now & having [illegible] for Sun. nite. Merrilyn [illegible] Several of the dances. The dances are interesting - I wish you could see them. Browner & Marg both are in some, and the minister reads passages from the Bible for parts of the dances. It's very effective & will be more so in costume. But it looks like we'll be here all nite. Love, Vera

Just got a stamp!!
